Petition of Resource Training & Solutions for Waiver of FCC Form 471 Deadlines

I am hereby petitioning to have the FCC waive the deadline for filing the FCC Forms 471 #181032029. These forms were filed and certified 03/26/2018. I received the notice from the USAC that my certification was after the close of the filing window for which I apologize, and saying that I needed to receive an approved FCC waiver of the form 471 deadline for them to continue to process my application.

We are a small organization and all of us here wear many hats. Responsibility for filing for e-rate funding fell to me but I only have time to focus on the process a few times each year, and am not very familiar with the process. I had a great deal of trouble editing and correcting information on the form 471 which resulted in my loosing track of the deadline date and my filing being certified outside the filing window. Receiving the funding through the Schools and Libraries Program means a great deal to our organization.

Please forgive my errors and ignorance and approve a waiver of the filing deadline for my Forms 471 # 181032029.

Respectfully submitted,

Resource Training & Solutions
